

Investing for Success

**Under this agreement for 2016
Windsor State School will receive**

\$207,370

This funding will be used to

Improve student learning outcomes in literacy and numeracy with a particular focus on the Writing skills. Outcomes from this funding will:

- Increase the percentage of students, in Years Three & Five, achieving results in the upper two bands of the 2016 NAPLAN Literacy Tests to seventy-five percent of eligible students.
- Increase the percentage of students, in Years Three & Five, achieving results in the upper two bands of the 2016 NAPLAN Literacy Tests to seventy-five percent of eligible students.
- Ensure one hundred percent of eligible students, in Years Three & Five, achieve above the National minimum Standard for all strands in the 2016 NAPLAN Tests.

Our initiatives include

- Improve learning outcomes by focusing on consistent high quality teaching practices throughout the school.
- Provide high levels of professional support from skilled practitioners to enhance classroom teachers' ability to drive the school's improvement agenda.
- Provide opportunities for targeted intervention and extension strategies in classrooms and in out of school hours support programs.

Our school will improve student outcomes by

- Supplement the position of Master Teacher from 0.5FTE to a full time position to support the schools literacy programs focusing on maintaining reading fluency and inferential comprehension skills and developing a consistent high quality approach to writing. \$45000
- Create the position of Lead Teacher to support the school focusing on consistent high quality curriculum development and implementation. \$75000
- Provide extra student support opportunities by purchasing additional teacher aide time to ensure all classrooms have support for literacy and numeracy blocks. \$70000
- Support Implementation of Instructional Coaching Program to ensure high quality teacher professionalism. \$8000
- Provide appropriate literacy and numeracy resources to support quality teaching strategies. \$9370
