Back-to-school? As easy as BYOD

As a parent, you want your children to have access to the best technology for learning, however, affordability and finding the right device which also meets your school's IT requirements can be challenging.

No more headaches!

That's where our Bring Your Own Device Program (BYOD) comes in. We partner with your child's school to provide cutting-edge, education-specific devices and accessories from top brands, tailored to their education needs.

Better learning a click away with our BYOD program

Education-approved devices
Pre-selected with your school for seamless compatibility.

Designed for students
Built to handle the school day and beyond.

Education pricing
Great value for money.

Extended warranties and insurance
Ensure uninterrupted learning, even with failure or problems.

24/7 online ordering
Via our BYOD portal **https://byod.jbhifi.education**
Buy now pay later available.

Fast, flexible delivery
Choose from, home delivery or pick-up in one of 200+ JB Hi-Fi stores.

3 steps to order your child's device:

Step 1

Go to **https://byod.jbhifi.education**
Enter the BYOD code supplied by your school. Once logged in, select a student program.

Step 2

Follow the prompts to select your products, accessories, and insurance. Choose your preferred delivery method: delivered straight to your door or pick up in one of 200+ stores.

Step 3

Choose a payment method and complete your order. No fees on credit card purchases.

Visit byod.jbhifi.education or contact your child's school for more information about our BYOD program.

Let's make technology work for your family!
